When little Nona is sent from her sunny home in India to live with her relatives in chilly England, she is miserable. Then a box arrives for her in the post and inside, wrapped up in tissue paper, are two little Japanese dolls. A slip of paper says their names are Miss Happiness and Miss Flower. Nona thinks that they must feel lonely too, so far away from home. Then Nona has an idea: she will build her dolls the perfect house! It will be just like a Japanese home in every way. It will even have a tiny Japanese garden. And as she begins to make Miss Happiness and Miss Flower happy, Nona finds that she is happier too.
